

Patients Opting for Self-Pay Services

Growing Up Pediatrics, PA offers a Self-Pay Fee Schedule for those patients who do not maintain private or state funded health insurance. The Self-Pay Fee Schedule reflects a discount for services paid promptly and without the overhead of filing insurance. Fees are updated periodically to reflect changes in practice expenses.

Note: The HIPAA Omnibus Final Rule, effective on September 23, 2013, affords patients the right to decline to use available private health insurance and opt to pay out of pocket instead. When a patient opts to not use insurance coverage for a service, the terms of the insurance contract will not apply to the service. As a policy, Growing Up Pediatrics will file all covered health care services to North Carolina Medicaid. Patients who are beneficiaries of these programs are not eligible for Self-Pay Services.
